1256:23 CBA p d six laguardia

1256:24 PD6 yes sir checking in doing the same at or below two thousand

1256:27 CBA ah maintain at or below two thousand you have company in sight

1256:29 PD6 affirmative sir well maintain a visual

1256:44 JFK laguardia kennedy seven twenty five and a quarter if you get anybody

1256:49 CHPR 4 (unintelligible) its chopper four

1257:00 CHPR 4 laguardia tower chopper four

1257:17 CBA p d fourteen be advised were not in communication with some of the aircraft ah targets around the world trade center at this time

1257:26 CHPR 4 and laguardia tower chopper four

1257:28 CBA chopper four laguardia

1257:30 CHPR 4 yes sir were just north of the world trade wed like to check in with you ah to stay ah at two thousand feet by ah just north of the world trade

1257:36 CBA p d ah chopper four okay i gotta keep you at least two miles ah circumference around the world trade center due to police request ah request

1257:45 CHPR 4 well do that ah can we climb up to two thousand and check in with you

1257:49 CBA standby chopper four two thousand feet out there s not my airspace either

1257:55 CBA okay chopper squawk zero two one zero if you wanna hold ah north of the empire or abeam the empire state building out there at two thousand feet i can approve that thats the best i can do for you

1258
1258:06 CHPR 4 okay well do that zero two one zero and checked in chopper four

1258:09 CBA chopper four report on station abeam the empire state building between the empire state building and the lincoln tunnel ill keep you in that area now other helicopters news helicopters who wanna hold over in that area i can do that for ya but we need to keep you clear of the area

1258:23 CHPR 4 chopper four understand

1258:28 CBA p d fourteen ah by the ah empire state building holding a news aircraft is thats ah suffice for you

1258:33 PD14 yeah thatll be fine just keep them no closer than that no closer than that

1258:36 CBA okay

1258:40 CBA three one seven mike xray you landing thirty fourth

1258:43 N317MX ah yes sir were at five nine

1258:44 CBA okay descend at your discretion radar service terminated squawk v f r

1258:48 N317MX yes sir

1258:56 PD6 and p d six coming up on station fifteen hundred feet company traffic in sight

1259:00 CBA p d six roger thank you theres ah targets im showin a target south ah bound toward the statue of liberty area at eight hundred feet chopper four is heading up towards the ah empire state building be holding there at this time

1259:12 PD6 ah roger sir understand well be looking for everybody

1259:50 CHPR 4 chopper four is on station i got both p d ships in sight well maintain visual and well stay at two thousand

1259:56 CHPR 4 chopper four thank you very much

1300
1300:46 CBA chopper four laguardia

1300:49 CHPR 4 go ahead

1300:50 CBA yeah can you proceed just a little bit further north about maybe another quarter of a mile

1300:54 CHPR 4 sure no problem chopper four

1300:56 CBA thank you sir i appreciate that and you gonna be at two thousand feet out there

1300:59 CHPR 4 well stay at two thousand well stay above the p d i think theyre staying at fifteen

1301
1301:03 CBA affirmative thank you very much

1301:06 TEB and laguardia teterboro

1301:07 CBA yeah laguardia teterboro

1301:09 TEB yeah you guys got any type any idea what knda airplane ran into the world trade

1301:13 CBA i dont personally i dont believe it was an airplane that ran in there

1301:16 TEB you dont think so

1301:17 CBA i dont think so

1301:18 TEB i dont know it looks like theres a big hole there from this side

1301:20 CBA yeah well holes go outward too

1301:23 TEB yeah i hear you

1301:24 CBA okay (laughter)

1301:25 TEB okay thanks (laughter)

1301:26 CBA okay (laughter)

1301:51 CBA p d fourteen laguardia

1301:53 PD14 go head sir you got p d fourteen

1301:54 CBA just a question ah theres ah was it an explosion outward or something inward

1302
1302:01 PD14 apparently its something inward we might have a ah ah an eyewitness with something reported that was a plane it came in through the landlines ah it mighta went into the building unknown size at this time

1302:10 CBA okay thank you

1302:14 CHPR 4 laguardia its chopper four it looks like a plane you can actually see the impact of ah where the wing came in

1302:20 CBA chopper four roger do you know its size (unintelligible) probably a small (unintelligible) a private airplane

1302:29 CHPR 4 cant tell how big it is right now

1302:31 CBA ah thank you

1303
1303:09 PD14 hey laguardia a seven thirty seven just struck the world trade center

1303:13 CBA a seven thirty seven

1303:15 PD14 thats affirmative sir

1303:17 CBA okay thank you

1303:27 N65ML laguardia sikorsky one six five mike lima

1303:30 CBA six five mike lima go head

1303:31 N65ML i dont know whats going on over there im sure you guys are watching it we just saw another airplane hit that building

1303:37 CBA six five mike lima roger ah we just reported a seven thirty seven run into it ah whats your request sir

1303:43 N65ML awright ah well were going to six november five if thats if thats possible ah

1303:47 PD14 air sea rescue fourteen to laguardia

1303:49 CBA rescue fourteen go head ah six november five ah six five mike lima what do you want thirty fourth street

1303:55 PD14 (*try indentify gimme a heads up) we just had a seven thirty seven go right into the world trade center we dont know its a terrorist attack or what

1304
1304:02 CBA rescue im sorry say again

1304:04 PD14 i want you to keep all air traffic out of this area (unintelligible) if anything comes up on your radar try to divert him out if he doesnt listen to you i need to know about it ah as soon as possible we just had a second seven (unintelligible) seven thirty seven possibly crash into the world trade center

1304:17 CBA understand all aircraft ah chopper four laguardia you have to exit the airspace towards the hudson river towards north hudson park all aircraft in on laguardia class b frequency unless youre a p d chopper or an emergency aircraft you must exit the area

1304:33 CBA six five mike lima remain clear of the class b

1304:35 N65ML ah mike lima roger going back to teterboro

1304:37 CBA and chopper four laguardia

1304:39 CHPR 4 yeah i heard you ah chopper four well take it north and check out

1304:42 CBA chopper four proceed northbound to north hudson park

1304:45 CHPR 4 chopper four

1304:46 CBA p d fourteen all aircraft are exiting the class b at this time that are under my control

1304:52 PD14 air sea rescue fourteen to laguardia im lookin for any aircraft thats on your airspace or comin into newark if you can get hold of them anything on radar thats comin into this airspace thats not supposed to be comin this way we just had a second airplane fly directly into the world trade center a passanger liner it was looked like an american airlines plane ah we just gonna need anything that comes over your radar thats comin that way up the river i wanna close down your airport if you have to

1305

1305:17 CBA rescue fourteen roger ill advise the port authority here theres a target down by the statue of liberty a newark target a two thousand feet dont know the type it looks like news seven at this time all my aircraft in my airspace are exiting the area at this time

1305:31 PD14 thank you sir i appreciate your help

1305:33 CBA awright thank you

1306

1306:23 PD14 laguardia p d fourteen

1306:25 CBA yes

1306:26 PD14 were gonna take it (unintelligible) were gonna be down by the lady ah were remaining with you right now ah we just have (unintelligible)

1306:32 CBA p d fourteen be advised i show a nine hundred foot target just west of the world trade center i dont ah type and altitude unknown its just a v f r target and at this time it is not ah displaying any kind of alpha numerics

1306:47 CBA p d six laguardia

1306:52 CBA p d fourteen ya copy the target s eight hundred feet heading northbound just west of the world trade center

1307
1307:24 PD14 rescue fourteen laguardia

1307:28 PD14 laguardia p d fourteen how do ya read

1307:30 CBA p d fourteen i read you five by now theres traffic showing nine hundred feet just northwest of the world trade center heading northbound type unknown

1307:38 PD14 okay that was a helicopter and ah it looks like to be still going to the north there

1307:42 CBA thank you hes just off of p d sixs ah right side now

1307:46 PD14 its okay well contact p d six

1307:48 CBA okay p d fourteen are you gonna be my communications center

1307:50 PD14 ah as of now sir im gonna try to land it over here at governors and get a good view if we can still stay with you ah well ah well stay down there

1307:56 CBA thank you p d six are you on freq

1307:58 PD6 yes sir on freq

1308:00 CBA awright thank you then youre the only two i have ah verified targets in that area at this time other than that a helicopter northbound

1308:06 PD6 awright sir listen p d six is gonna have to ah leave this location were gonna have to go to jacobi hospital over by city island pick up ah a passenger

1308:14 CBA p d six roger advise me of ah your intentions when you proceed as ah your requested at this time

1308:19 PD6 roger p d six

1308:22 CHPR 4 laguardia chopper four in off station now over north hudson park

1308:27 CBA chopper four you have to remain clear of the class b as per request of the new york police department at this time due to emergency in this progress in this area you have to remain clear of the class b at all times and ah and remain ah clear of this frequency please

1308:40 CHPR 4 chopper four well check out

1308:41 CBA thank you

1308:49 PD6 and ah number six to ah fourteen over laguardia - - where are you

1308:56 CBA p d six fourteen is looked like he was settin down by said he was gonna set it down by governors
