1249:33 O87 new york

1249:35 Huntress-1 is there any way mamm that we can get updates as far as
the ahh lat longs of that aircraft you know as ahh

1249:39 O87 actually i'm showing his track in coast right now so i

1249:43 Huntress-1 tracking coast what does that mean is he northbound

1249:45 O87 ah ah it means it means we've i as far as what i'm showing
here they've lost track on it let me see if i can find out and
i'll give you a call back

1250

1250:31 O87 huntress i d new york twenty six

1250:32 Huntress-1 yes mamm go ahead

1250:33 O87 umm you can contact ahh ah six three one four six eight
five nine five nine and they can ah keep you a little more
updated on that

1250:37 Huntress-1 ahh and that's local mamm

1250:39 Huntress-2 that's probably the military

1250:39 O87 ahh sorry

1250:45 Huntress-2 is that new york military

1250:45 Huntress-1 is that new york military

1250:47 O87 that's no that's just the new york center

1250:51 Huntress-1 great thank you mamm
1251
1252

1252:32 Huntress-1 new york amis huntress i d

1252:34 Huntress-2 see if they want altitude on that airplane also

1252:38 O87 new york

1252:40 Huntress-1 yes mamm did you just hear the information regarding the
world trade center

1252:42 O87 no

1252:43 Huntress-1 being hit by an aircraft

1252:44 O87 i'm sorry

1252:46 Huntress-1 being hit by an aircraft

1252:47 O87 you're kidding

1252:48 Huntress-1 it's on the world news

1252:49 Huntress-2 ask them if they still have alititude

1252:50 Huntress-1 do you still have altitude on that aircraft that you have for a hijack

1252:53 O87 i don't like i said i don't work a radar here

1252:54 Huntress-1 yeah you lost you said you lost contact though

1252:56 Huntress-2 call this number again call this number right here---tell her that we can't anyone

1253:02 Huntress-1 umm the six three one mamm four six eight

1253:03 O87 five nine five nine

1253:07 Huntress-1 we can not get through to that number is there any other number is that new york military

1253:11 O87 ahh no it's not ah that's the only number i have for operations here

1253:15 Huntress-1 ok well we just wanted to give you a heads up there is an aircraft that did hit the world trade center just a few minutes ago but that apparently is that that is not that guy

1253:23 O87 it's not that guy

1253:24 Huntress-2 try

1253:25 Huntress-1 not as far okay

1253:28 Huntress-2 is he airborne---call this

1253:29 Huntress-1 we're just trying to find out what we can mamm we're trying to sort it out

1253:30 Huntress-2 get

1253:31 Huntress-1 but that phone number that you gave us

1253:34 Huntress-2 she doesn't have (unintelligible)

1253:37 Huntress-1 is there anybody at new york center in your center

1253:44 Area E Sup hello

1253:45 Huntress-1 new york center huntress i d

1253:46 Huntress-2 did we get a tail number yet

1253:47 Huntress-1 is anyone tracking the hijacked american one one

1253:50 Area E Sup i'm sorry ah start over again what about american eleven

1253:53 Huntress-1 the hijacked aircraft american one one is anyone talking from new york center that aircraft

1253:58 Area E Sup ah we had a primary target on him ah we are trying to follow him as best we can he is not squawking a beacon code whatsoever

1254:04 Huntress-2 can they still see primaries

1254:04 Huntress-1 can you still see primary
