

CC = Command Ctr

TM-SC = Traffic Mgmt Shift Coordinator

1301:10 CC yeah severe weather ricky bell

1301:11 TM-SC yes richie ur check with your nom do you know if
anyone down there has done my coordination to
scramble uh fighter type airplanes

1301:18 CC i don't think so

1301:19 TM-SC interceptors

1301:21 CC why would that be needed there pete do they think
the airplanes still in the air

1301:25 TM-SC no we have several situations go going on here its
escalating big time and we need to get the military
involved with this

1301:31 CC why whats going on

1301:32 TM-SC just get me somebody who has the authority to get
military in the air now

1301:35 CC alright i'll go tell em pete

1301:37 TM-SC ok

1302:17 CC new york you on

1302:18 CC hey i was just gonna um i don't know what they had you up
here for i was just gonna were gonna do the telcon the
planning telecon

1302:25 TM-SC well just forget about that what i'm trying to do on that

1302:30 CC ok

1302:31 TM-SC i already got my answer we have military scrambled
thats all i wanted now uh call them back on the other line

1302:34 CC alright

1302:35 TM-SC bye
