It's great to be here. Salaam Alaikum.

I want to recognize the great efforts of minister Louis Farrakhan in being the only religious leader in our nation who has addressed the gigantic horrendous fraud of nine eleven. You see nine eleven was used to take us into an open-ended war against Islamic nations, and its where this nation has been for the past fifteen years, and not a single religious leader other than minister Farrakhan has had the moral compass to stand up and tell the faithful that we've been lied to.

So, I've written a book *solving nine eleven*, but it's changed the world, it's changed our world. Nine eleven was carried out to kick start the 'war on terror', a Zionist war agenda of aggression, terrorism, and conquest, which continues to this day.

Nine eleven was wrongly blamed on Muslims to trick us as a nation, as a world, into supporting an open ended and criminal war agenda across the Islamic world. It's cost

us more than two and half trillion dollars, and we as people of conscience are obliged to resist the deception as our religious leaders all should do.

I was an investigative journalist in Washington DC when it happened, so it fell right into my lap. I was passing through New York City with my family when nine eleven happened. I grew up in Chicago outside in a place called Schaumburg Illinois.

The deception that changed the world. Nine eleven was a highly sophisticated false flag terror atrocity designed to create fear and rage in the people's hearts, to compel US public opinion to support the war on terror, which is an Israeli Zionist war agenda in disguise, that we are supposed to fight.

Starting the war on terror was the real reason for nine eleven. Nine eleven was of course a policy coup that brought us the war on terror, and a series of wars like this one in Iraq. We've been deceived, we've been lied to. Nine eleven was just the beginning. We will not have peace as a nation or as a world, if we continue to accept the deception of nine eleven.

The media has been the key player in the deception, we've been lied to by the media, the media is complicit in the cover up. They have imposed on the American public the false story that radical Islamic terrorists are to blame for nine eleven, and the only way to liberate ourselves and our nations from this madness, is to expose the true source of terrorism.

The US government on nine eleven called the attacks an "act of war", which is

basically the military's business to seek justice for, so there was no actual criminal investigation. Larry Johnson, from the state department, director of counterterrorism, said these guys were extremely well organized, talking about the alleged hijackers. He said these guys were just committed zealots and willing to give it up, without being key members of the network. They were told what to do, what to prepare for, what to train for. They were not the ones calling the shots. He said we don't have anything in history to compare with this, the only thing that comes close to it is a former Soviet intelligence operation.

So, who pulled this off?

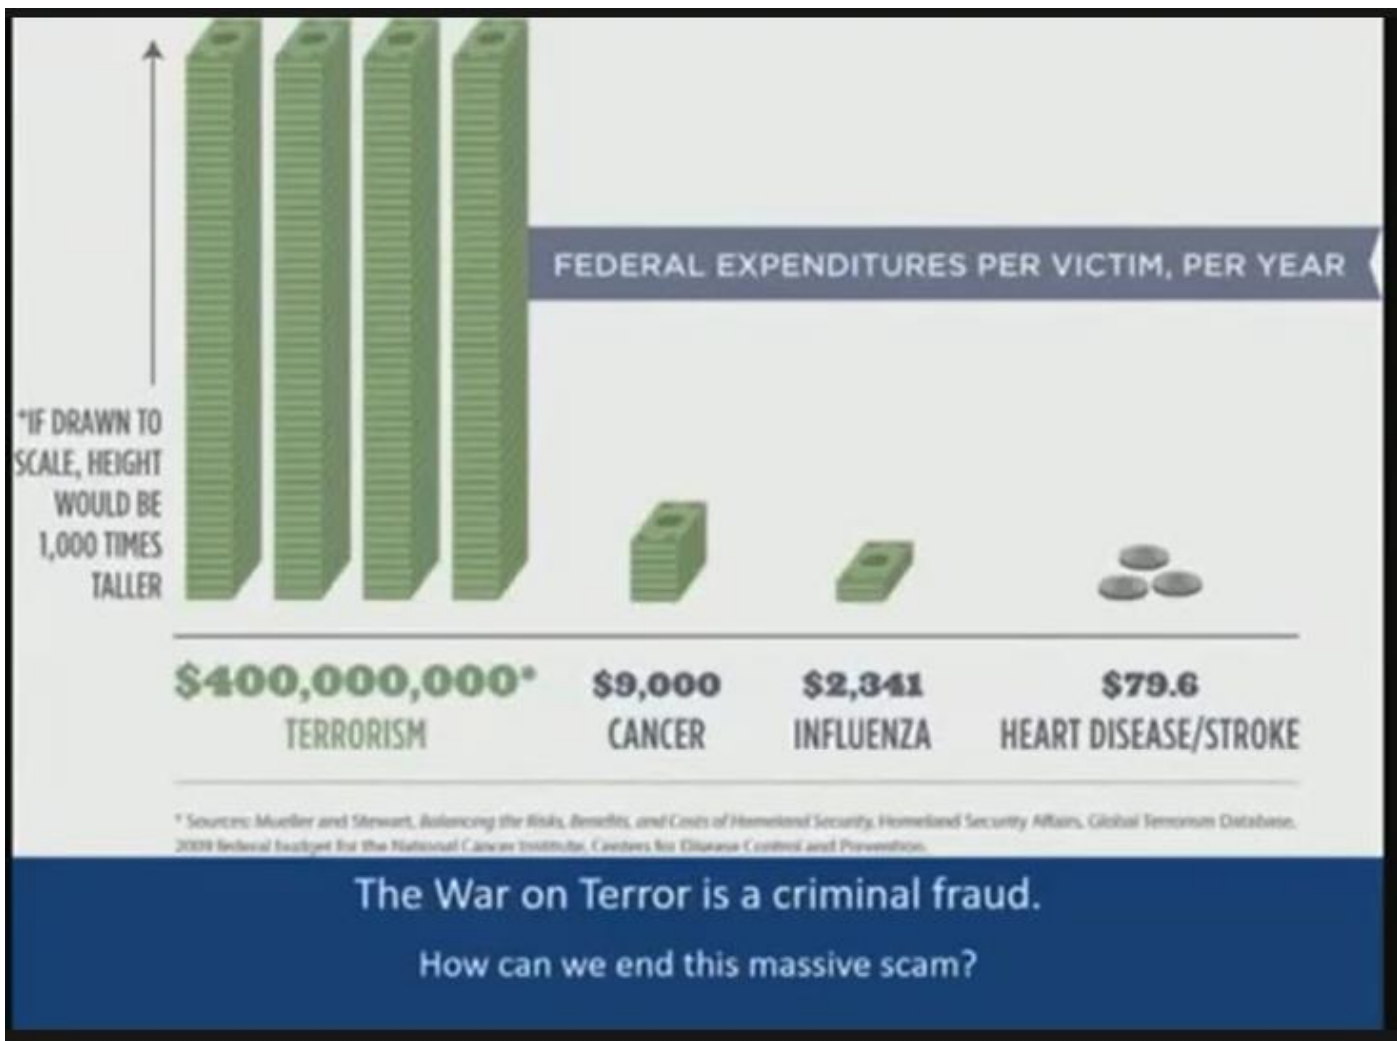

Now if the government and media are lying to us about nine eleven, it means that they are controlled by the very same people who carried out nine eleven. Now that's a very serious predicament, and minister Farrakhan's the only person who's addressing it.

Now nine eleven and the war on terror have a common source. Both nine eleven and the war on terror were conceived and planned in Israel in the 1970s by Israeli military intelligence. I'm first going to talk a little bit about the war on terror. Nine days after nine eleven, George Bush declared a war on terror, basically telling the world you're either with us or you're with the terrorists.

September 20, 2001 – Bush declares “War on Terror” saying,  
“Every nation in every region now has a decision to make:  
Either you are with us – or your are with the terrorists.”

The war on terror has cost this nation over two and a half trillion dollars. You can imagine how far that would go to supporting and helping the American people rebuild our infrastructure, support our communities. The war on terror is a fraud. You have as much likelihood in this nation of being a victim of terrorism as you do being struck by lightning. But we're spending four hundred million dollars per year per victim of terrorism in this nation, compared to cancer and influenza and heart disease. You would have to stack those bills up a thousand times higher to understand how much money. This is a fraud.

So, the fraudulent war on terror is all based on the nine eleven lies. Where did the war on terror come from? Where did Americans start to learn to treat people like this?  
 [image not shown]

Well, the war on terror is the evolution of an Israeli stratagem. Now a stratagem is a clever device to trick people into serving them. The war on terrorism is really a ploy pushed by Benjamin Netanyahu since 1979, to trick the United States into waging war against Israel's enemies.

4229

Here he was in 1979, he came, he worked for a Rothschild company called Boston Consulting. He went back to Israel, and he started a Netanyahu institute, the very first thing he did in 1979, he had a conference in Jerusalem called the *Jerusalem Conference on International Terrorism*, and he tried to say that all international terrorism is a propaganda offensive, they said all international terrorism is coming from the Soviet Union, and George Bush spoke at the final, Mr. Bush Sr. spoke at the final session, and said basically the idea of fighting terrorism was a great thing to do, as a war.

Now Mr. Netanyahu is currently the Prime Minister of Israel. He has made a career out of promoting the war on terror, writing books like this.

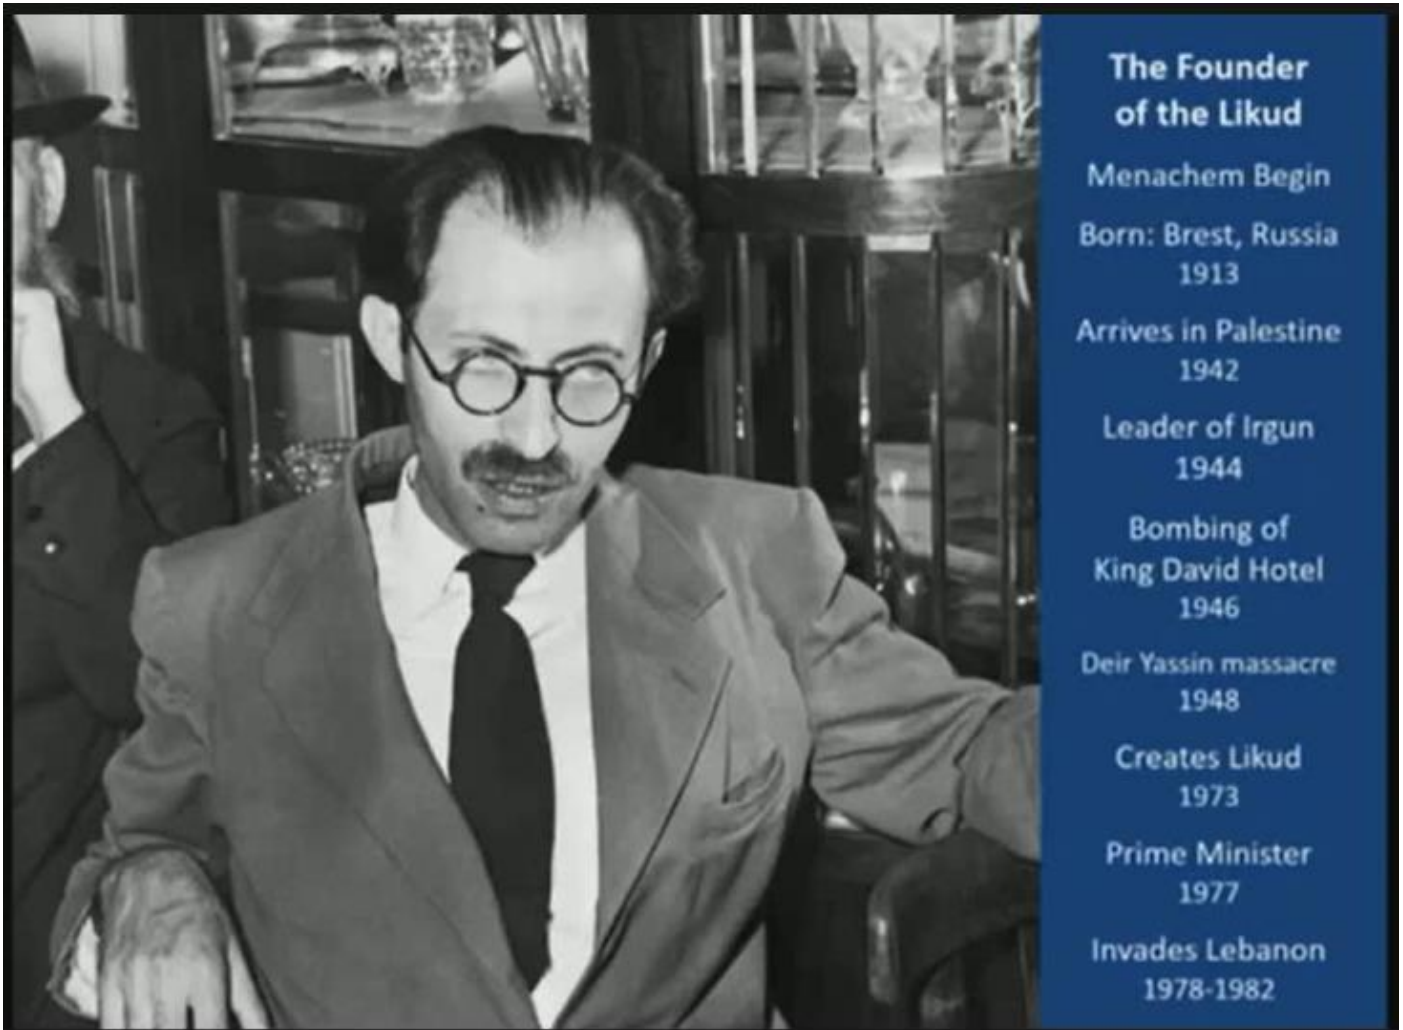

Mr. Netanyahu is from the Likud coalition. Likud was created by the father of terrorism, a man named Menachem Begin, who in 1977 became prime minister of Israel.

He was asked by a British journalist in 1974 "Mister Begin, how does it feel in a light of all that's going on to be the father of terrorism in middle east?" And mister Began said "in the middle east" he said, "in all the world". So, he put on himself the mantle of being the father of terrorism. You see you have to understand that the state of Israel was born and created through terrorism.

5374

Here he is, he came from Russia, came to Palestine, became the leader of Irgun, bombed the King David hotel, created the Deir Yassin massacre, where they blew up buildings in a Palestinian village called Deir Yassin, to scare the Palestinians, that they would run away, and then he created the Likud party in 73, became prime minister in 77. That's when Israel changed from being a relatively peaceful country to becoming a vicious terrorist state, 1977.

[It could be argued that this happened with the assassination of JFK in 1963, LBJ's submission to the will of Israel, and the attack on the USS Liberty in 1967. See *The Unspoken Kennedy Truth*, by Laurent Guyenot 2021, revised June 2024.]

And the ideology of Likud is based on this idea called Eretz Israel; greater Israel, is idea that Israel should fill it's biblical boundaries, as they say [God gave to the state of Israel](#), and so they have a much bigger idea of what Israel should be, and they are dedicated to reaching that state. That's very important to understand.

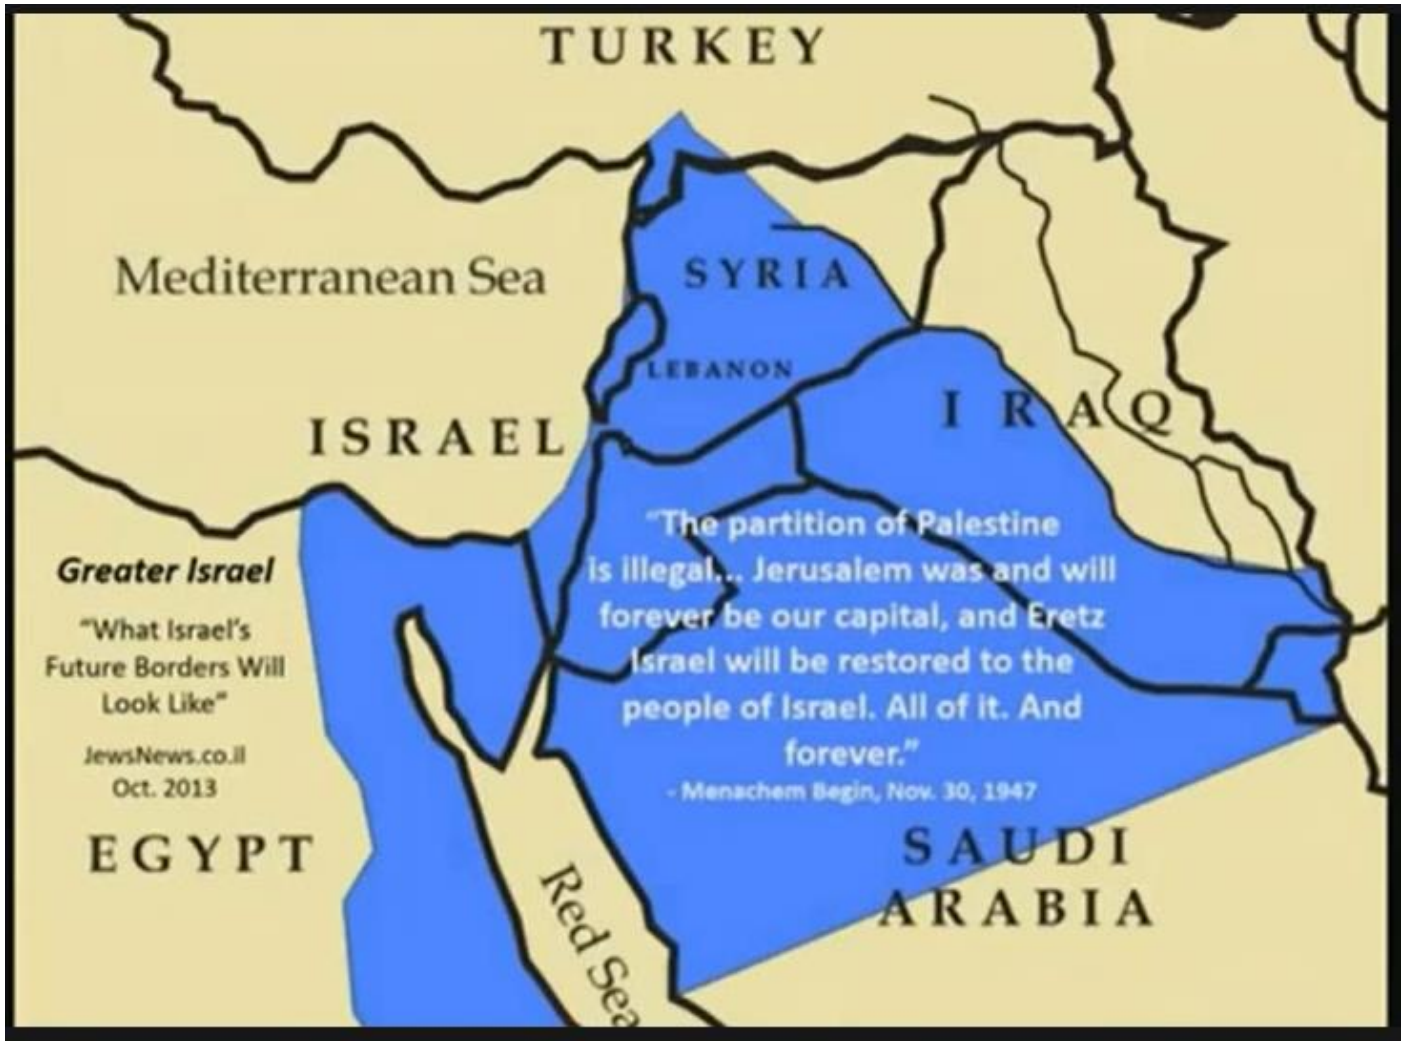

The image contains two main visual elements. On the left is a historical poster for the Irgun. At the top, it features the Hebrew text 'ארגון צבאי לאומי' (National Jewish Military Organization). Below this is a map of the region of Eretz Yisrael, with a hand holding a rifle over it. The map is labeled with 'ERETZ JISRAËL' and 'EREZ'. On either side of the map, the text 'LA SEULE SOLUTION' and 'THE SOLE SOLUTION' is written, with the Hebrew letters 'רק' (only) above each. At the bottom of the poster, the name of the organization is written in three languages: 'IRGUN ZWAÏ LËUMI BE-EREZ JISRAËL', 'ORGANISATION MILITAIRE NATIONALE JUIVE D'EREZ JISRAËL', and 'JEWISH NATIONAL MILITARY ORGANISATION OF ERETZ JISRAËL'. A small caption at the very bottom reads 'An Irgun poster for distribution in Central Europe.' On the right side of the complex block is the Irgun logo, which is a shield-shaped emblem. It features a central figure holding a rifle, surrounded by a laurel wreath. Above the shield is the Hebrew word 'אצ"ל' (Irgun) and below it is 'רק-בך' (only with you).

**The Irgun:  
A Jewish Terrorist Group**

1944 - Menachem Begin becomes head of the Irgun, a terrorist group founded by Vladimir Jabotinsky, a Zionist extremist.

Netanyahu's father becomes head of NZO movement in America after Jabotinsky dies in New York in 1940.

5794

This is what they call what Israel's future borders should look like. And as Mr. Begin said, [Jerusalem was and ever will be our capital, and Eretz Israel will be restored to the people of Israel.](#) Now this is what Begin said in 1947. and this is exactly what the Likud continues to say to this day.

So here he became the prime minister the country 1977, this happened to be a time when I was living in Israel, He came to power 77

[image not shown]

**Yitzhak Shamir**  
**September 1948**

Shamir's Stern Gang murders  
UN envoy, Count Folke  
Bernadotte.

**August 1962**

Shamir directs "Operation  
Damocles" – Mossad murders  
German rocket scientists  
working with Egypt.

**March 1963**

Prime Minister Ben-Gurion  
orders an end to Mossad's  
"Operation Damocles." Shamir  
resigns from Mossad in protest  
after Director Isser Harel is  
forced to resign.

6108

Now one of his partners was this man, Yitzhak Shamir. He was the head of the Leche, or Stern Gang. This was a gang of murderers, they killed that UN envoy Count Folke Bernadotte, they killed rocket scientists. And this little gang called the Stern Gang had a very interesting member, who was this man's father.

6246

This is Rahm Emanuel. the mayor of my hometown Chicago, who was also a senior advisor to Bill Clinton and Barak Obama's first Chief of Staff, and his father was a member of this Stern Gang when they killed that UN ambassador.

10:29

**ISRAELI TERRORISTS, 1954 – Lavon Affair:** Israelis bomb U.S. Information Agency libraries in Egypt in false flag operation to be blamed on Muslim Brotherhood. Terror heads: Dir. of Def. Min. Shimon Peres, defense minister Pinhas Lavon, chief of staff Moshe Dayan, and deputy Yosef Avidar, August 19, 1954.

Now here's some of the fathers of terrorism. This is a photograph from the Lavon affair. The Israelis did [planned] false flag terrorist attacks in Egypt back in 1954, in July, and it was run by these men here. On the left is Shimon Peres, then Mr. Lavon, then Moshe Dayan, his assistant.

10:59

They put bombs in American and British libraries in Egypt, with the intention of the blame being put on the Muslim brotherhood, ... because the prime minister of Israel said after this event he didn't know about it, but Shimon Peres had been running it and he said Shimon Peres shares the same ideology, he wants to frighten the West into supporting Israel's aims, and that is exactly where we are here today with terrorism. They are trying to frighten us all the time in supporting their war agenda,

but it's not our agenda, and it's not an American agenda.

'Jewish objectives' included:

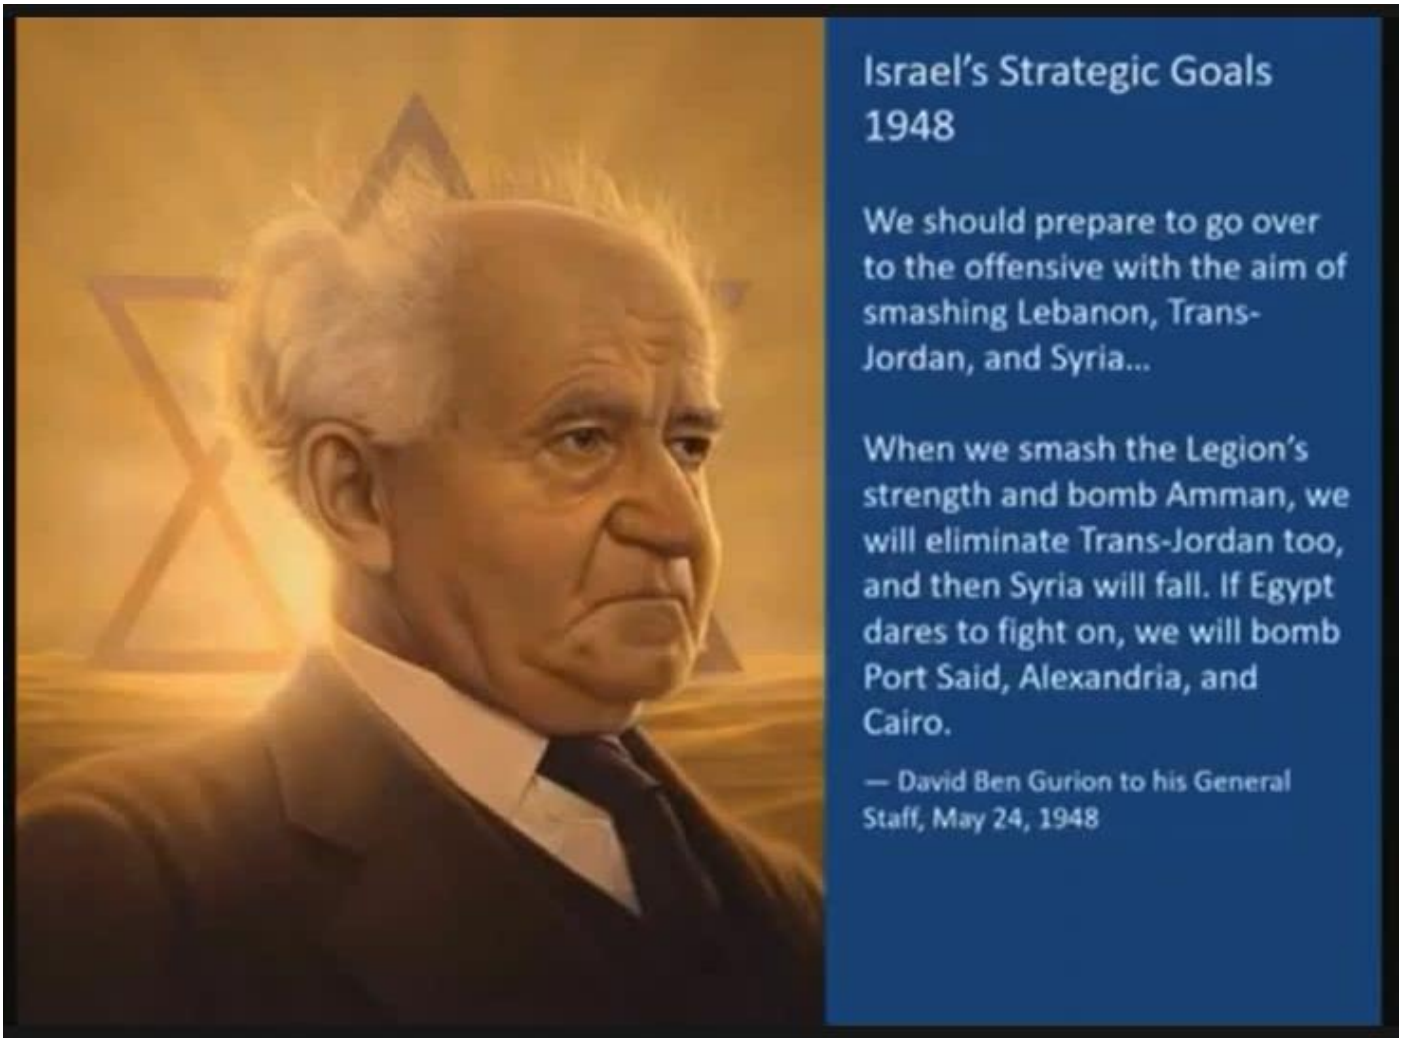

- the expansion of 'Eretz Israel' into Jordan, Lebanon, and Syria;
- the establishment of Jewish military and economic hegemony over the entire Middle East.

Source: *Taking Sides: America's Secret Relations with a Militant Israel*  
Stephen Green (1984)

**"Zionist strategy will seek to involve [the United States] in a continuously widening and deepening series of operations intended to secure maximum Jewish objectives."**

- "Force Requirements for Palestine," Joint Chiefs of Staff, March 31, 1948

In 1948, before Israel became a state, the Joint Chiefs of Staff analyzed this Israeli Zionist state, Zionism means Israeli nationalism, Jewish nationalism. And the Joint Chiefs of Staff said this, they wrote this, in their thirteenth paper, they said **"Zionist strategy will seek to involve the United States in a continuously widening and deepening series of operations intended to secure maximum Jewish objectives"** And what were those maximum Jewish objectives? The expansion of Eretz Israel, the land of Israel into Jordan Lebanon and Syria and the establishment of Jewish military and economic hegemony over the entire Middle East. As you can see that's what the United States has been doing for the last fifteen years.

7141

These were the strategic goals of the father of Israel, David Ben Gurion, who was another Rothschild employee. In 1948, after Israel became a state, he said [we should go on the offensive and smash Lebanon, Jordan, Syria, and take out Jordan Syria will fall, and if Egypt dares to resist, we'll bomb Cairo](#). This is the prime minister of Israel one week after Israel became a state.

Attack of USS Liberty

7723

This is of course what Israel did to the United States. Many people say “oh, Israel wouldn't do that, they wouldn't attack us.” Well read your history, 1967, they attacked this ship and Tel Aviv said from the radio control said “[identified the ship](#)” the pilots said “[it's American, American.](#)” Tel Aviv controls said “[...sink this ship, no survivors.](#)” [The actual attack was much more involved than this.]

## Seven Countries In Five Years

About ten days after 9/11, I went through the Pentagon and I saw Secretary Rumsfeld and Deputy Secretary Wolfowitz.

One of the generals called me in. He said, "We've made the decision we're going to war with Iraq."

"We're going to war with Iraq?" I said, "Why?"

"I don't know," he said.

I came back a few weeks later; by that time we were bombing Afghanistan. I said, "Are we still going to war with Iraq?"

He said, "Oh, it's worse than that... we're going to take out seven countries in five years, starting with Iraq, and then Syria, Lebanon, Libya, Somalia, Sudan and, finishing off, Iran."

- General Wesley Clark, March 2007

8004

Now a week after 9/11 this General Wesley Clark walked through the Pentagon and he said about ten days after 9/11 I went to the Pentagon, I saw Rumsfeld and Wolfowitz, and one of the generals called me and said we've made a decision. We're going to war with Iraq. We're going to war with Iraq I said? Why? I don't know he said. I came back a few weeks later he said, and by that time we were bombing Afghanistan, and he said are we still going to war with Iraq?

14:02

And the general said, oh sir, it's much worse than that. We're going to take out seven countries in five years, starting with Iraq, then Syria, Lebanon, Libya, Somalia, Sudan, and finishing off with Iran. And as you can see that shopping list is exactly what we've been doing for the past fifteen years.

Now what's the master plan? it's a Zionist master plan to dominate the entire region by breaking up the large Arab countries into ethnic statelets. it's called balkanization. it's exactly what we did in Yugoslavia in the 1990s. We took a big country and broke it into little pieces, fracturing and along religious lines or ethnic lines.

The map illustrates a proposed 'remapped Middle East' with several statelets. In the north, there are 'ALAWITESTAN' and 'SHIITESTAN'. Syria is divided into 'SUNNITAN' and 'SHIITESTAN'. Iraq is divided into 'SUNNITAN' and 'SHIITESTAN'. In the west, there are 'TRIPOLITANIA' and 'LIBYA' (divided into 'TEZZAN' and 'CYRENACA'). Other regions include 'EGYPT', 'PRE-MONARCHY SAUDI ARABIA', 'NORTH ARABIA', 'SOUTH ARABIA', and 'EASTERN ARABIA'. Major cities like Tripoli, Misrata, Benghazi, Baghdad, Basra, and Riyadh are marked. A legend indicates 'Possible city-states' with red squares. The map also shows the Mediterranean Sea, Persian Gulf, Strait of Hormuz, and Iran.

### Oded Yinon: Israel's Master Plan to Dominate the Middle East

The Yinon Plan represents "the accurate and detailed plan of the present Zionist regime [Likud] for the Middle East, which is based on the division of the whole area into small states, and the dissolution of all the existing Arab states."

– Israel Shahak, 1982

"A Strategy for Israel in the Nineteen Eighties"  
Oded Yinon, *Kivunim: A Journal for Judaism and Zionism*, February 1982

8525

14:48

This is the plan that the Israeli Likud came out with, the Oded Yinon plan, in 1982, and thanks to Israel Shahak, a professor of chemistry, who translated it into English, we now understand what the Israeli plan is for the Middle East it's exactly what's happened to Iraq, to Syria to Libya to Saddam to Somalia to Yemen. All have been

victimized by this, plan breaking them up.

15:04

9047

Here we have a picture from the Pentagon, we have something called the Defense Policy Board, these are mostly Zionist men, here we have Wolfowitz, Rabbi Dr. Dov Zakheim across the table, and the Israeli boy Douglas Feith, and they are sitting right next to the Israeli Chief of Staff in the Pentagon, and he's telling them well, this is what you should do, and that's what we've done. They advise us - the Israelis tell our Pentagon what we should be doing.

15:36

9362

Here's Hillary Clinton [image not shown] and this is in 2012 when she was Secretary

of State, and she wrote in an email the best way to help Israel is to use force to overthrow the government in Syria. Where is there American interest in overthrowing the government of Syria? None. But this proves that Obama and Hilary Clinton were serving Israeli ends, not American.

So, twenty-two years after it was first promoted, this idea of a war on terror in Jerusalem, it became reality with nine eleven. It was born. Now i'm going to talk about the Israeli connections to nine eleven.

**Number 1:** Ideation, the Israelis put out the idea that planes might be flying into big buildings one day.

This is a film by a senior Israeli agent named Arnon Milchan, Hollywood producer, very high-level Israeli agent, he made this film in 1978 called the *Medusa Touch*, in which a large Boeing plane flies into the Pan Am building in New York City. ...

10117

Now the thing is that he's very close, in this picture shows him with the defense minister of Israel Ezer Weizman. This is at the very highest level of Israeli military intelligence, and here is making a movie...

[image not shown]10275

... he's very close to the very highest level establishment in Israel, Shimon Peres and Bibi Netanyahu, two of the most notorious Israeli terrorists in history.

Milchan, a senior Israeli agent and money launderer, is said to be worth \$5 billion.

10299

Then in the year 2000, with his business partner Rupert Murdoch and Fox news, they made a program on TV, a program called *The Lone Gunman*, in which a Boeing 757 is flown into the World Trade Center.

10525

17:42

and this was on TV in March 2001 on Fox news, thirteen million people watched it. This is putting the idea out there into your mind that planes might be striking big buildings one day. [Note, the film references a remotely hijacked plane flown into the WTC: Israel itself first mentions remotely controlled aircraft.]

**Number 2:** Now the next thing is that the father of Israeli intelligence, this man Isser Herel, predicted in 1979 that Arabs would attack the tallest buildings in New York City.

## 2. Father of Israeli intelligence predicts 9/11.

1979 – Isser Harel, founding chief of Israeli intelligence predicts 9/11 attacks in New York City.

10755

He predicted, this Jewish man Michael Evans ... here with Menachem Begin.

10847

Mr. Evans asked Mr. Herel, Esser Herel, [do you think terrorism will come to America and if so where and why](#). Esser Herel said [yes, I fear it will come to you in America. America has the power but not the will to fight terrorism.](#)

Isser Harel of Mossad  
Predicted 9/11  
in 1979

"Do you think terrorism  
will come to America, and  
if so, where and why?"

Harel: I fear it will come  
to you in America.  
America has the power,  
but not the will, to fight  
terrorism. The terrorists  
have the will, but not the  
power, to fight America -  
but all that could change  
with time. Arab oil money  
buys more than tents.

As to the where, Harel continued, "New York City is the symbol of freedom and capitalism. It's likely they will strike the Empire State Building, your tallest building and a symbol of your power."

- Isser Harel, founding director of Mossad, to Michael Evans – in 1979.

10913

As to where, Herel continued, [New York City is a symbol of freedom and capitalism, is likely they will strike your tallest building, and a symbol of your power, in 1979, twenty-two years before nine eleven.](#)

GOTTO

**Number 3:** The Israeli Mossad got the security contract for the World Trade Center in 1987.

### 3. Israeli Mossad agents get security contract for World Trade Center in 1987.

Atwell Security of Tel Aviv, owned by Shaul Eisenberg and run by senior Mossad agents, gets security contract for World Trade Center.

11168

... because they actually intended that nine eleven would happen in the nineteen eighties, but they were delayed, because the Port Authority discovered that the man involved was not only a Israeli intelligence agent, but he was using a fake name, he was using a false name, they often do that, so they tore up the security contract, the Port Authority, the owners the World Trade Center they tore up the contract. Had they not done that, nine eleven would have happened, as I say, in late eighties.

## Harel's 9/11 Prediction Goes into Action

1987 - Two of Harel's Mossad agents obtain WTC security contract.

Zvi Malkin – previously involved in plutonium smuggling and Eichmann kidnapping – represents Atwell Security (Shaul Eisenberg) in negotiations with Port Authority.

Avraham Shalom Bendor, president of Atwell Security, was previous head of Shin Bet (1981-1986).

P.A. discovers Bendor's fake name and criminal past; breaks off security contract.

11386

But when those Israelis were thwarted, they didn't go back to Israel, they went to work with American Jews who were working in the World Trade Center, namely

1990 – Rejected by PA, Shalom goes to work for Jules Kroll.

1993 – After WTC bombing Kroll Associates gets security contract for the PA – and the WTC.

P.A. hires Kroll to overhaul security at the WTC and agency's bridges, tunnels – and airports.

9/11 – Kroll partner is Maurice Greenberg of AIG; first plane strikes floors controlled by Greenberg's son – secure computer center of MMC.

2003 – P. Bremer is CEO of Marsh Crisis Consulting (MMC)

2005 – Jeremy Kroll on advisory boards of Challenge Fund with Israeli top brass, and Elad and Amit Yoran.

11618

19:20

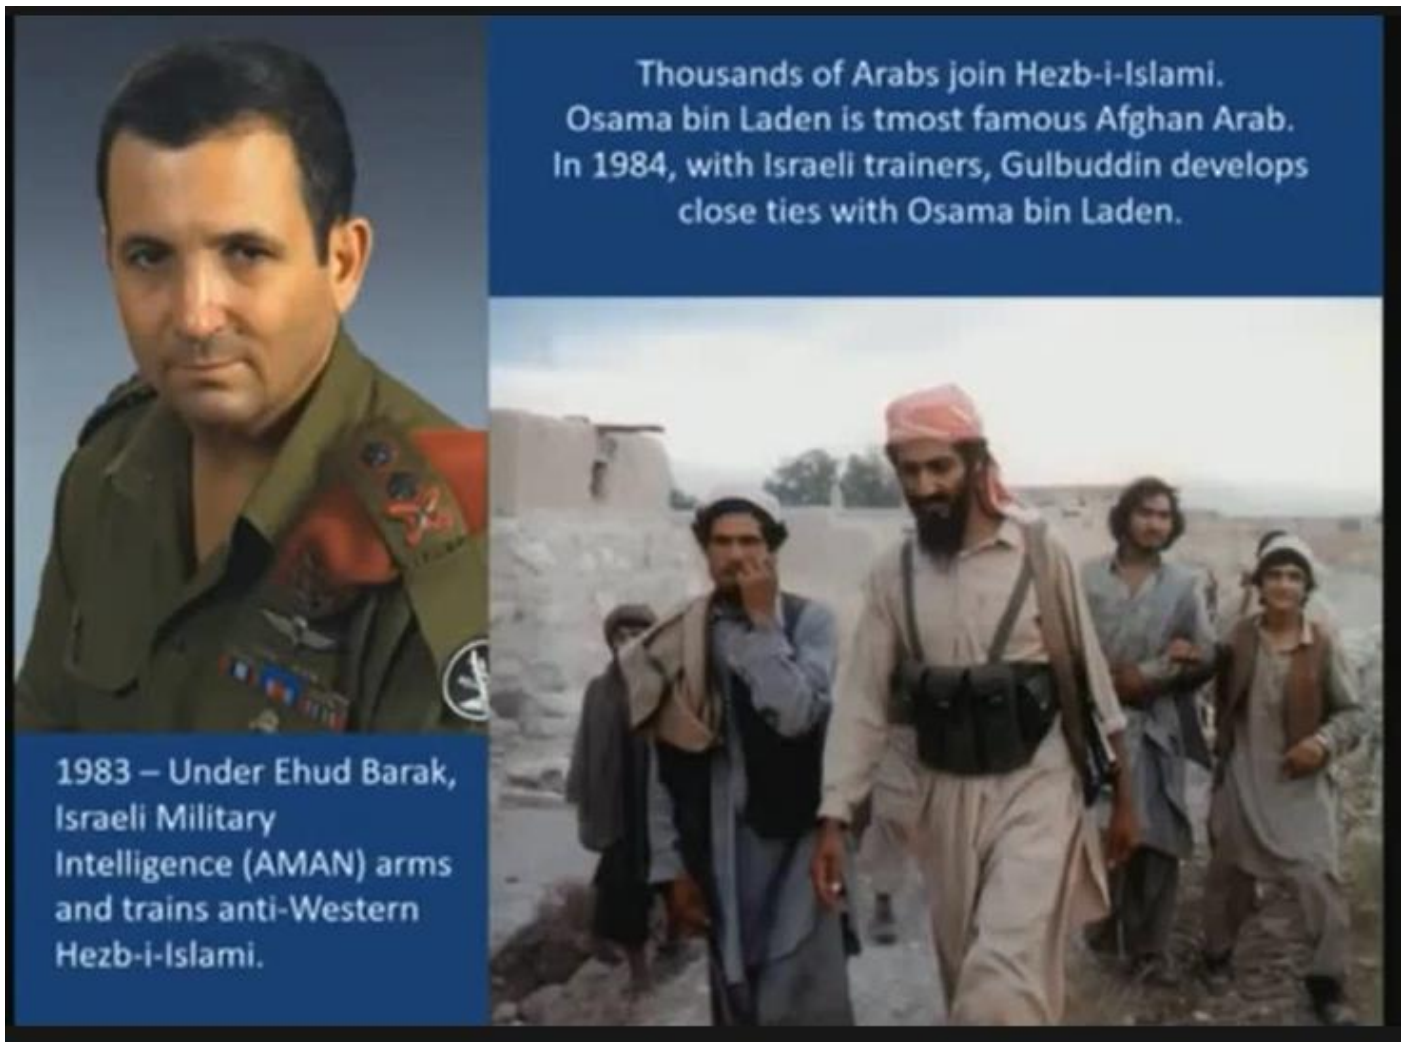

Jules Kroll and Maurice Greenberg... and in 1993, when the building was bombed the first time, Kroll, the man on the top here, got the security contract for the World Trade Center, and at that time, that Israeli man that was head of the Shin Bet was now working for him, so they use a Trojan Horse to get into the WTC.

**Number 4:** Israel, Israeli military intelligence, created al Qaeda.

They created the Islamic foe for the war on terror, because if you're going to have a big war on terror you have to have an enemy, so they have to create the enemy.

So, under Ehud Barak, in the early 1980s Israeli military intelligence trained a group in Pakistan of Afghan fighters and Arabs called the Guibuddin Hetmatiera faction.

[unintelligible]

12083

At this time, this is when the Afghan, what they called Afghan Arabs, the Arabs came to Afghanistan to help the Afghan fighters against the Russian army, the Soviet army. And this is a time when Israeli military intelligence, under Ehud Barak, this man on the left, was running the operation, the CIA was paying for it, and Saudi Arabia was paying for it, Pakistan was the host country, and Israel military intelligence was doing the training and the arming.

1983 - Pro-Israel Congressman Charlie Wilson works with Mossad to arrange Israeli weapons and trainers for Hezb-i-Islami *mujahideen* led by Gulbuddin Hekmatyar.

The C.I.A. funds Israeli weapons and training for Hezb-i-Islami Gulbuddin.

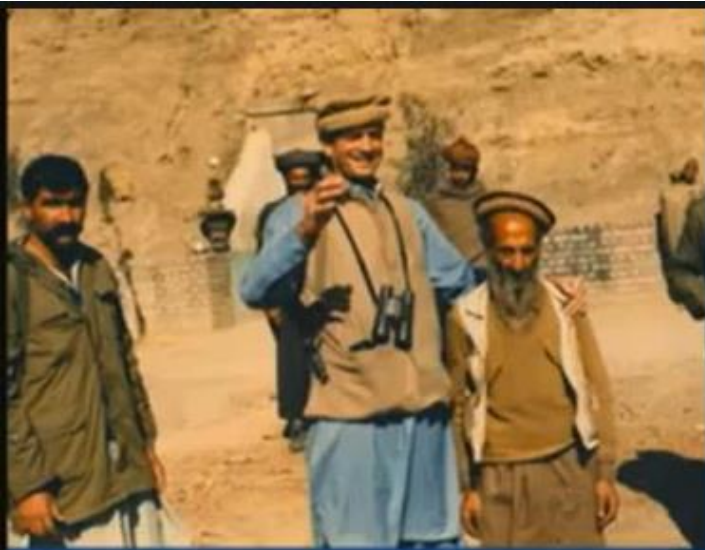

Why would C.I.A. and Israeli military intelligence arm and train the most virulently anti-Western *mujahideen*?

12535

It was done by a guy named Charlie Wilson, a congressman from Texas, but the question was why the CIA and Israelis would, why would they arm the most anti-western group out there...because they we're creating the group that became al Qaeda and had to be extremely anti-Western.

**Number 5:** The Mossad connection.

Charlie Wilson was a Congressman in Washington, but his handler was the head of Mossad in Washington DC. This man Zvi Rafiah. He was the handler of Charlie Wilson since 1973. He managed him.

## THE MOSSAD CONNECTION

Zvi Rafiah, Mossad station chief in Washington: Charlie Wilson's handler since 1973.

The Israeli used Wilson's congressional office as if it were his own.

"Rafiah always acted as if he owned Wilson's office. One of the staffers kept a list of people he needed to lobby. He would use the phones, give projects to the staff, and call on Charlie to intervene whenever he needed him."

Source - George Crile, *Charlie Wilson's War* (2003)

12791

And this Israeli agent used Charlie Wilson's congressional office as if it were his own. As you can see from the book here *Charlie Wilson's War*, Rafiah always acted as if he owned Wilson's office.

[Image not included]

**BIN LADEN'S FIRST TRAINER** - Ali Mohamed, a *Hebrew-speaking* double-agent, trained Osama bin Laden. He set up the cell that bombed U.S. embassies in Africa. He trained the men blamed for bombing the World Trade Center and for killing Rabbi Kahane. He disappeared from federal prison – without a trace.

Source - "United States of America v. Ali Mohamed"

13079

And they together put together this operation. This is Bin Laden's first trainer, is a man called Ali Mohamed, he's a Hebrew speaking Egyptian, and this man was involved in all of those terror attacks to happen the 1990s. This man set up the cell in Nairobi that bombed the American Embassies in Africa. This man trains the guy who killed Rabbi Kahani and then he was put in federal penitentiary, and he disappeared from without a trace.

GULBUDDIN BECOMES AL QAEDA – After losing Saudi and Pakistani support "the remainder of Hezb-i-Islami merged into al-Qaeda and the Taliban" in 1994.

Source - *The Columbia World Dictionary of Islamism*

13392

Then the group Gulbuddin that the Israelis had trained, became al Qaeda in 1994. Now if you understand the current situation with ISIS, al-Qaeda then became ISIS. So, the Israelis create this cadre, this group of terrorists, who then change names and changes places, but they remain the target.

So, when America strikes ISIS, when America strikes al-Qaeda, they are actually striking Islamic nations. They are not hitting the enemy, they are fighting ISIS, they are hitting infrastructure, power plants, water plants, hospitals. [... as well as priceless ancient cultural artifacts in Iraq.]

5. Zionists prosecute first bombing of WTC in 1993.

The Israeli Michael Chertoff, U.S. Attorney for the District of New Jersey, plays a key role in the prosecution. Fellow Zionist Judge Michael Mukasey presides over case against "the Blind Sheikh."

13729

Then this is about 1993, the first bombing in a world trade center, the first bombing world trade center was to my mind to put in your mind the idea that Arabs were trying to blow up the World Trade Center.

So, the interesting thing is that this narrative was given to us by an Israeli, Michael Chertoff, who was the prosecutor in this case, in 1993, and Judge Michael Mukasey, a fellow Zionist, was the judge who oversaw the whole thing.

February 1993

The first "false-flag" bombing hits the World Trade Center.

A truck bomb explodes killing six.

Zionists Chertoff and Judge Mukasey prosecute and frame the case against "the Blind Sheikh."

13982

Now if you remember, the bomb went off, and 6 people died, and the FBI paid this Egyptian colonel here one million dollars to testify. ...

14030

He was the informant, he was the one that kind of like set these people up, the blind sheikh; the blind sheikh [Muslem] didn't blow up the World Trade Center, the FBI did.

**Number 6:** The Zionists plan for the new Pearl Harbor.

November/December 1998

ESSAY

## Catastrophic Terrorism: Tackling the New Danger

Ashton B. Carter, John Deutch, and Philip Zelikow

*Ashton Carter is Ford Foundation Professor of Science and International Affairs at Harvard University's John F. Kennedy School of Government and a former Assistant Secretary of Defense. John Deutch is Institute Professor of Chemistry at the Massachusetts Institute of Technology and a former Director of Central Intelligence and Deputy Secretary of Defense. Philip Zelikow, a former member of the National Security Council staff, is White Burkett Miller Professor of History and Director of the Miller Center of Public Affairs at the University of Virginia.*

### IMAGINING THE TRANSFORMING EVENT

Terrorism is not a new phenomenon. But today's terrorists, be they international cults like Aum Shinrikyo or individual nihilists like the Unabomber, act on a greater variety of motives than ever before. More ominously, terrorists may gain access to weapons of mass destruction, including nuclear devices, germ dispensers, poison gas weapons, and even computer viruses. Also new is the world's dependence on a nearly invisible and fragile network for distributing energy and information. Long part of the Hollywood and Tom Clancy repertory of nightmarish scenarios, catastrophic terrorism has moved from far-fetched horror to a contingency that could happen next month.

**1997-1998: Zelikow's Catastrophic Terrorism Study Group  
imagines 'transforming event'.**

14270

This [9/11] was planned in advance. This man Philip Zelikow had a catastrophic terrorism study group in which they were imagining the transforming event that would change this nation, this was published two years before 9/11.

**ROTHSCHILD AGENTS** Ashton Carter and John Deutch were with Global Technology Partners, "an exclusive affiliate of Rothschild N.A., formed to make acquisitions of and investments in technology, defense and aerospace-related companies."

14462

Another one of the authors was Ashton Carter, [Zelikow] top left and the man with the blue sweater. These are Rothschild agents. These men when they wrote that paper were working for a group called Global Technology Partners, which is an exclusive affiliate of Rothschild North America. Their whole business is getting onto the gravy train of American defense spending. That's where the money is. They take the money from us, they put it into war, and the Rothschilds profit from it.

23:17

14727

And another group was PNAC, Project for a New American Century. They said that the process of transforming the American military into this worldwide dominant force would be a long change “absent some catastrophic and catalyzing event, like a new Pearl Harbor, which is exactly what 9/11 was meant to be.

**Number 7:** The Israeli Mossad controlled security at US airports

14966

Now this is another point. The Israeli Mossad controlled security at US airports, the key US air ports on 9/11. And the men that ran this company, ICTS, based in Holland, are these characters here; Mr. Cukerman, Mr. Yair Shamir, the son of Shamir, and Boaz Harel. it's a Rothschild company. They controlled passenger screening at Boston airport, Newark airport, etc. They controlled who got on the planes.

**Number 8:** Israelis created false history for alleged hijackers.

15364

Now then again Israelis created false history for these men, fifteen of these nineteen supposed hijackers lived in Florida, where many of them had been given duplicate licenses, and others have reported having lost their passports, so what you have is a game, where you have two people that are using the same identity. One is an Israeli agent that looks like him, and one is the person himself. In this way, they leave a fake trail for that person, incriminating him.

THE  
LITTLE  
DRUMMER  
GIRL.

Terror is theatre... Theatre's a con trick.  
Do you know what that means? Con trick?  
You've been deceived.

- John Le Carré, *The Little Drummer Girl*, 1983

15572

This is explained in a very good book *The Little Drummer Girl* by John Le Carre

24:44

It's an Israeli plot, it's an Israeli action, is what they do, they leave fake trails for people, they incriminate them, and in book, the Mossad person says to this actress, terror is theater, theater's a con trick. Do you know that means, con trick? You've been deceived.

**Number 9** Zionists get the lease for the World Trade Center

15764

In July 2001, Zionists got the lease for the World Trade Center. Zionism is again Israeli nationalism, people who believe in Israel over everything else, it's a political ideology, it's not a religion, it's not a race, it's not an ethnicity, it's a political ideology, plain and simple.

15983

Now how did that happen? How did Larry Silverstein get the World Trade Center is very interesting, he got it through Ronald Lauder, the son of Este Lauder.

25:30

He was in charge of the privatization scheme for New York state. And in this scheme, they decided to privatize the World Trade Center. Now Mr. Lauder also funds a school at Mossad University in Israel called the IDC. And at the IDC, the person who runs this school is Major General Danny Rothschild. The Rothschilds, the Rothschild family of Britain and France, they built Israel, they paid for Israel, they built the first 30 settlements, the first one is called **Rishon LeZion**, the first in Zion. That's where Danny Rothschild was born, so they they made a few children as well to carry on the family genes.

16500

Now what's the connection between Larry Silverstein and the buildings? Well, the Port Authority owned the World Trade Center. The Port Authority was headed by this man Lew Eisenberg, another Zionist. There were some very convoluted negotiations

in the summer of 2001, and the World Trade Center passed to Larry Silverstein. These two men are on the board of United Jewish Appeal, the largest funding organization for the state of Israel in the United States of America.

So, it was the Zionist connection that got the building to Larry Silverstein.

16859

Larry Silverstein also happens to be very close friend of Bibi Netanyahu.

This from Israeli media [Ha'aretz]. For years, Netanyahu and Silverstein have kept in close touch. Every Sunday afternoon, New York time, Netanyahu would call Silverstein. It made no difference where Netanyahu was, he would always call, and their calls continued after Netanyahu became prime minister. What were they talking about every Sunday afternoon for years?

Well, finally Larry Silverstein, on July 24<sup>th</sup>, got the twin towers in his hands and then he controlled everything about the building. The first thing he did was jack the rent up forty percent and insured it against terrorism.

This is what was left five weeks later of the World Trade Center. All that was left was steel and dust.

Numbe10: Israeli military chief interprets 9/11

17313

And on September eleventh, the Israeli military chief Ehud Barak, the one who had trained Osama Bin Laden, via Ali Mohamed, came on the BBC. He happened to be in London, he happened to be in the studio of BBC world television, the largest television network in the English-speaking world, and he said this, he said [it's time to launch an operational concrete war against terror.](#)

16933

He said the world will never be the same from today on, and blamed Osama Bin Laden.

17690

What's the connection here? Ehud Barak was the commander of Bibi Netanyahu in a covert commando force called the Sayeret Matkal, this is a covert independent commando force that serves directly under the Israeli chief of staff and military intelligence.

**Number 11:** Ehud Olmert in NYC Sep 11, kept secret

17884

On nine eleven, this man with the NYPD hat, his name is a Ehud Olmert, former prime minister of Israel, he was in New York City on September 10 and 11, but his presence was kept out of the news completely. Why? What was he doing on September 10 and 11 in New York City that had to be kept secret?

Here he is with Bibi Netanyahu.

18082

[Image not shown]

Here he is nine days later, ten days later, comes to sit next to Mr. Giuliani

18115

[Image not shown]

You see New York City and Jerusalem are sister cities, and this man was the mayor of Jerusalem, and he comes to New York City and it's not reported, it would usually be front page news.

**Number 12:** Israeli son of the Mossad controlled the nine eleven investigation

Then, the Israeli son of the Mossad, Michael Chertoff, this man here, controlled the nine eleven investigation. He was the assistant attorney general, he was supposed to prosecute the crimes of nine eleven, but they didn't even investigate the crime, there has never been an investigation of nine eleven [as a crime]. Full stop

John Ashcroft put Michael Chertoff in charge of the investigation, and then what he

did he oversaw the destruction of evidence, that destruction and confiscation of the critical evidence. It was a cover up from the very beginning.

Then, George Bush made him head of Homeland Security Number two, in which position he remained in charge of the evidence.

**Number 13:** Zionist controlled destruction of evidence.

Zionist controlled junkyards, two of them in New Jersey, they managed the destruction of the evidence. The evidence was taken to their junkyard, cut into small pieces, mixed with other scrap, and shipped to Asia, at a time when the price of scrap was the lowest it had been in fifty years. This was destruction of evidence, this was not business. All the steel was destroyed. [This is not true. Several pieces were saved, and lab analysis done on them.]

**Number 14:** Zionists preside over the nine eleven lawsuits

19058

And then Zionists, again a Zionist is a supporter of Israel, they presided over the nine eleven lawsuits and tort litigation. There were three thousand victims, that was a lot of litigation. It all went to this man, Judge Alvin K Hellerstein, in Manhattan.

Alvin Hellerstein is the federal judge who handled 9-11 tort litigation.

His son, Joseph, is lawyer in Israel with firm that represents ICTS – key defendant in 9-11 litigation.

19193

Now there's a problem here. His son is a lawyer in Israel, who works for the key defendant in the nine eleven litigation, that company I told you about, ICTS, the people who are responsible for this passenger screening at the airports. If those nineteen hijackers got on the plane, they would know how they got on. A conflict of interest was his son was working, as I said, for the law firm that controlled that ITCS company.

**HELLERSTEIN'S CONFLICT OF INTEREST**

Son Joseph is Israeli lawyer with firm that represents Cukierman, parent company of ICTS.

Cukierman is CEO of Rothschild Group and chairman of Israel General Bank.

Boaz Harel, Cukierman partner, is head of ICTS, the Rothschild-funded Mossad company responsible for the 9-11 terror attacks.

Hellerstein oversaw all 9/11 related cases.

In May 2011 he dismissed ICTS, Israeli Mossad company that controlled passenger screening in Boston on 9/11.

19346

So that's a primary family conflict of interest, a judge cannot oversee a case when his son or his wife is working for the defendant. it's completely not right.

And then we had, as I said, three thousand victims. The first two thousand nine hundred victims were given money out of the compensation fund which is managed by Kenneth Feinberg, another Zionist.

Kenneth Feinberg  
Special Master 9/11  
Compensation Fund

His wife is executive of the United Israel Appeal and the Jewish Federation of Washington, and on the Board of Governors of Jewish Agency.

Sheila Birnbaum, special mediator, arranged out-of-court settlements for 96 families who refused compensation from Feinberg.

Birnbaum is a partner at Skadden Arps, law firm with very close ties to Israel.

19567

He gave the money to people who then had to sign a line where they would not talk about how much money they got or the terms.

There were one hundred families left, they held out for a court process, and they were treated with Sheila Birnbaum, One by one, every single family was settled out of court, so all three thousand families were settled out of court, and there has not been one day in court for a single nine eleven victim. That's not justice.

19916

This is judge Mukasey. This is that fellow Zionist judge who oversaw the court process in the 1993 bombing, and then he oversaw Larry Silverstein's insurance claim with insurance companies, where Larry Silverstein got paid twice for the destruction of his buildings. He made, from one hundred million dollars as a downpayment with borrowed money, he got something like five billion dollars.

Number 15: Benjamin Netanyahu notes that nine eleven benefits Israel

20201

He said on nine eleven, to the New York Times, he was asked, how will this effect Israeli American relations, and Netanyahu said [it's very good, it will generate immediate sympathy.](#)

20335

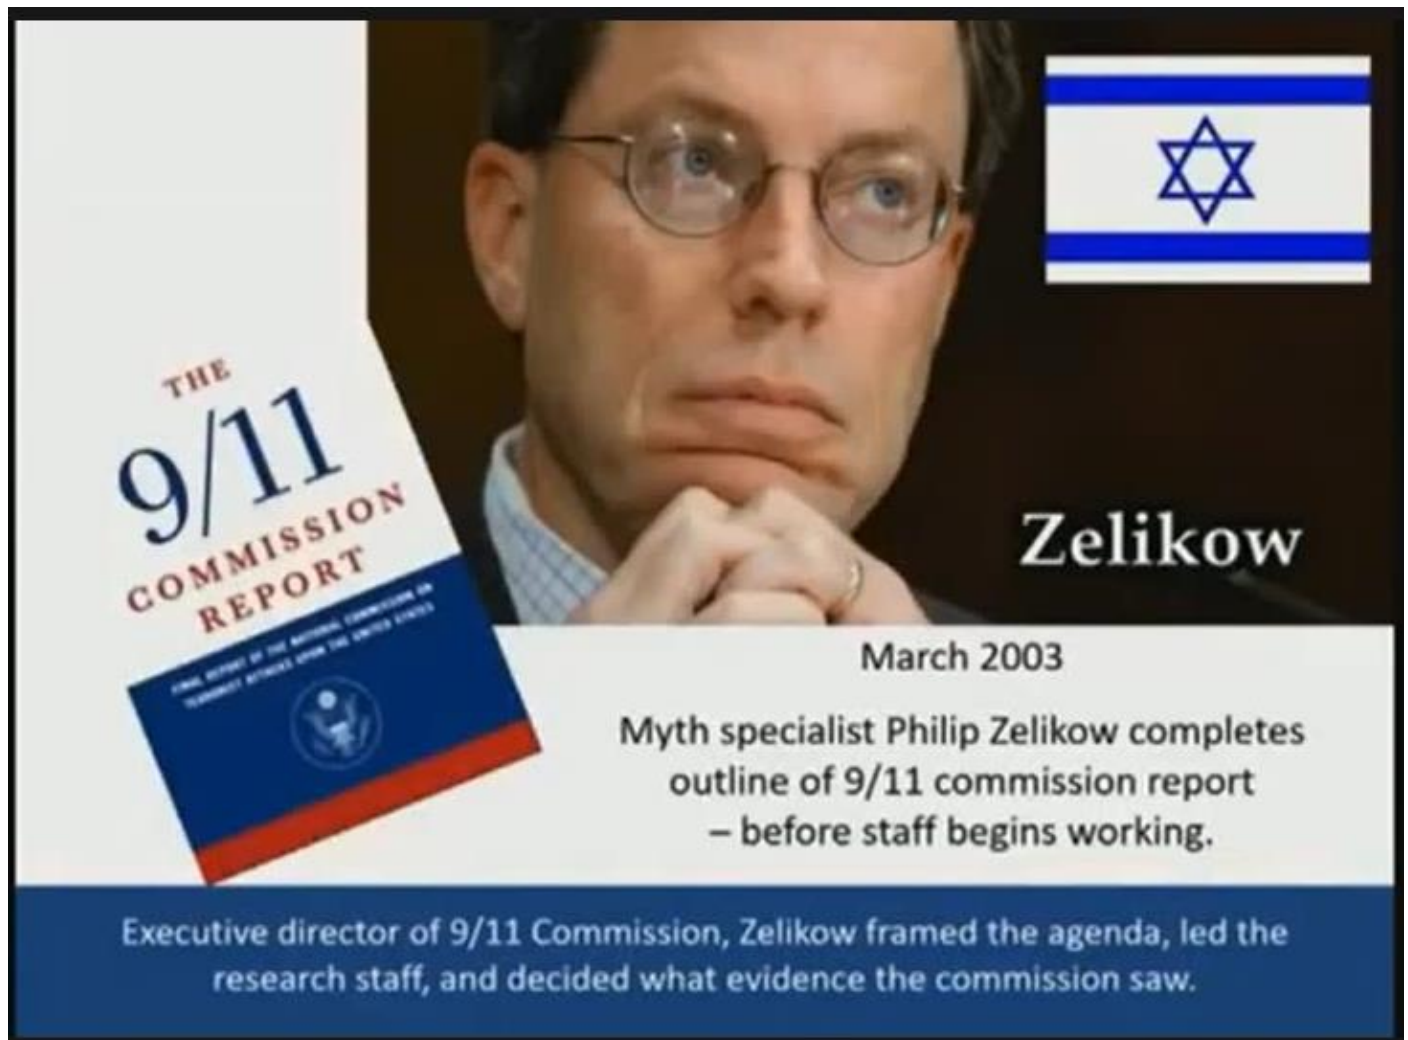

Who would say it's very good when there are thought to be people in the rubble, dead?

20391

A couple years later he said in Hebrew, speaking to an Israeli audience, he said [we are benefiting, we are benefiting from one thing, and that is the attack on the Twin](#)

Towers and Pentagon and the American struggle in Iraq". Israel is benefiting from it, not America.

**Number 16:** Zionists control the myth. They wrote the myth.

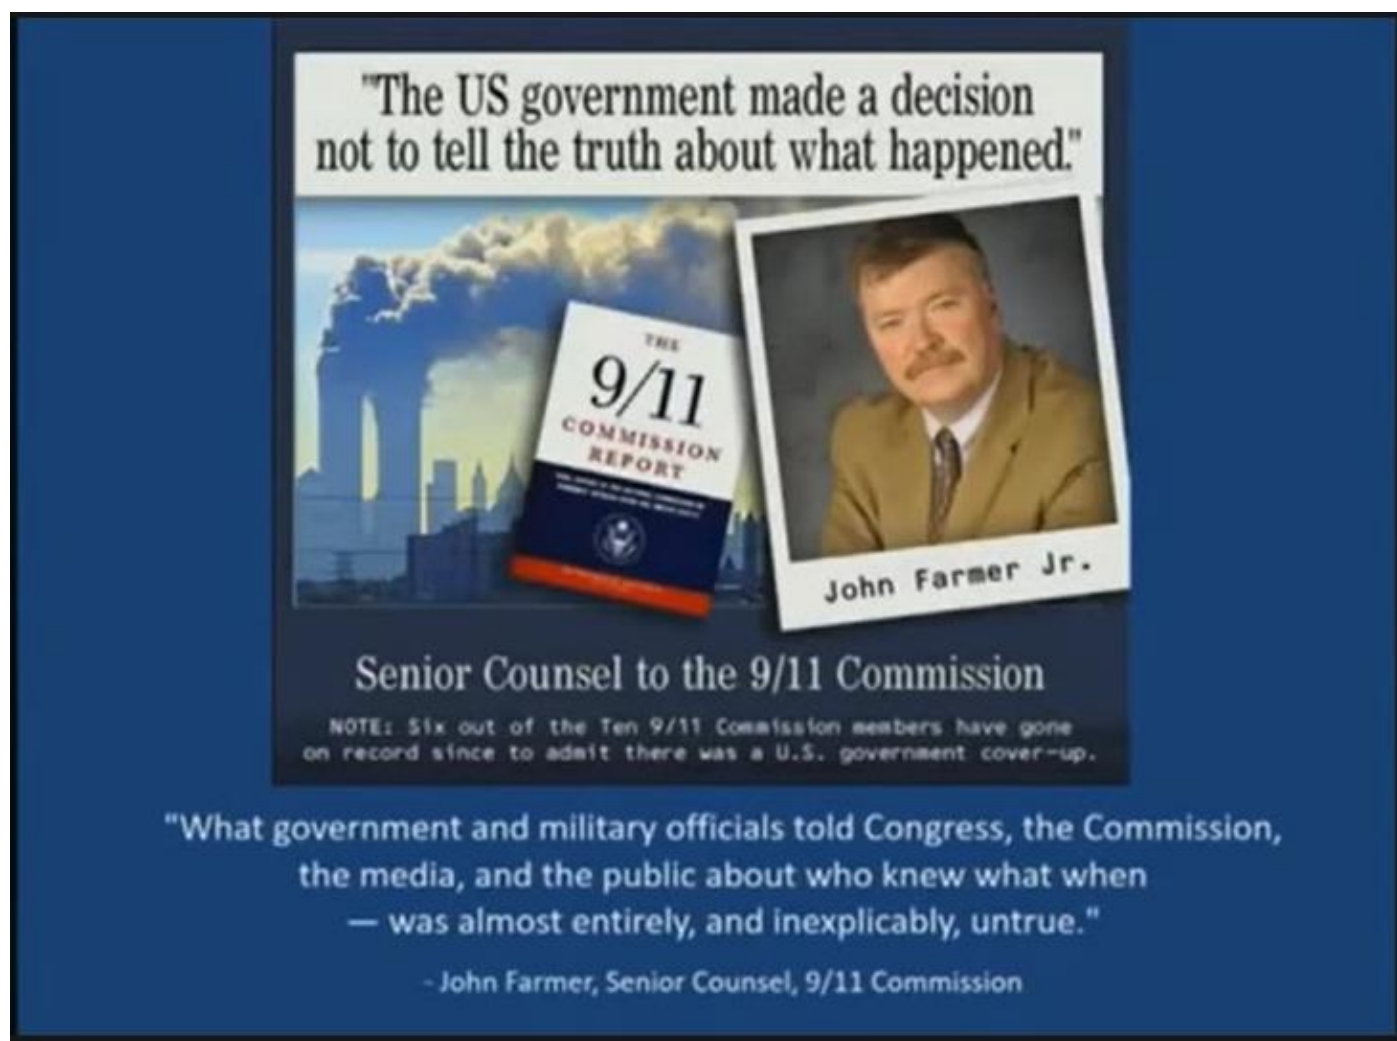

20647

This man, Philip Zelickow, was in charge of the 9/11 commission. He wrote the outline for the report before the people even began working on the report. And this man's specialty, he went to school, He's a Zionist. He went to school and he got a master's degree or a PhD on the creation and maintenance of the public myth. Because what we have is a myth. We have been told a myth, that Islam is trying to attack our nation. And unfortunately, Donald Trump still supports that myth. He was in Tampa the other

day, and he said radical Islamic terrorists are determined to attack this nation, as they did on 9/11. That's false. And for Donald Trump to say that's the case, is a very, very dangerous thing.

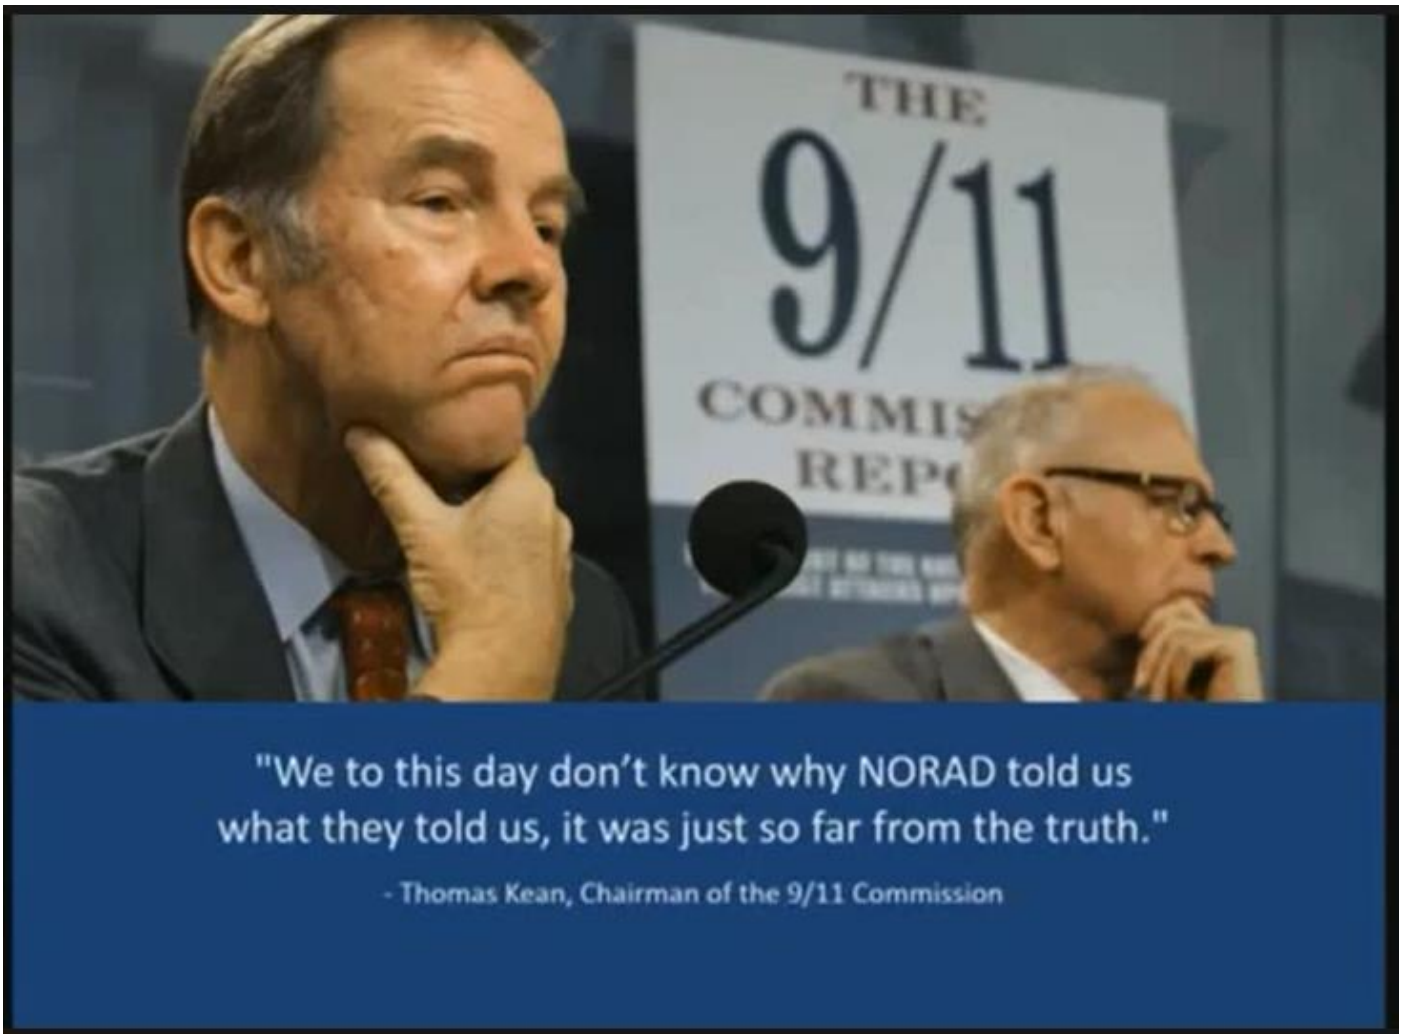

And here's the people that worked on the report.

21157

They said, and this is John Farmer, council for the report, he said [what they told congress, the commission, the media, and the public about who knew what when was almost entirely and inexplicably untrue.](#)

And these are the commissioners themselves; Thomas Kean and Lee Hamilton.

21366

Thomas Kean said [to this day we don't know why NORAD told us what they told us, it was just so far from the truth](#). So the American people have been given a pack of lies, about what happened on nine eleven, and it's time we wake up from this nightmare.

**Number 17:** Controlling the legacy

21532:

And my last point, go to New York City. There's a big memorial there, and there's a strange building called the Oculus, and there's a shopping mall, and they have these water ponds and there's names carved in granite around the ponds. This was designed and given to us by the Israelis. The Israeli engineer, the Israeli designer who built it is this man here. The World Trade Center memorial was designed by a friend of the Netanyahu family. His name is Michael Arad, he's the son of Moshe Arad, the former Israeli ambassador to the United States.

21765

This is how they want to control the story. They give you the idea for the story, they control the story, they make it happen, and then they control the legacy.

Young American kids go to ground zero and they go through a museum that's built

and run by Israelis to teach them the lie that Islam did this to America.

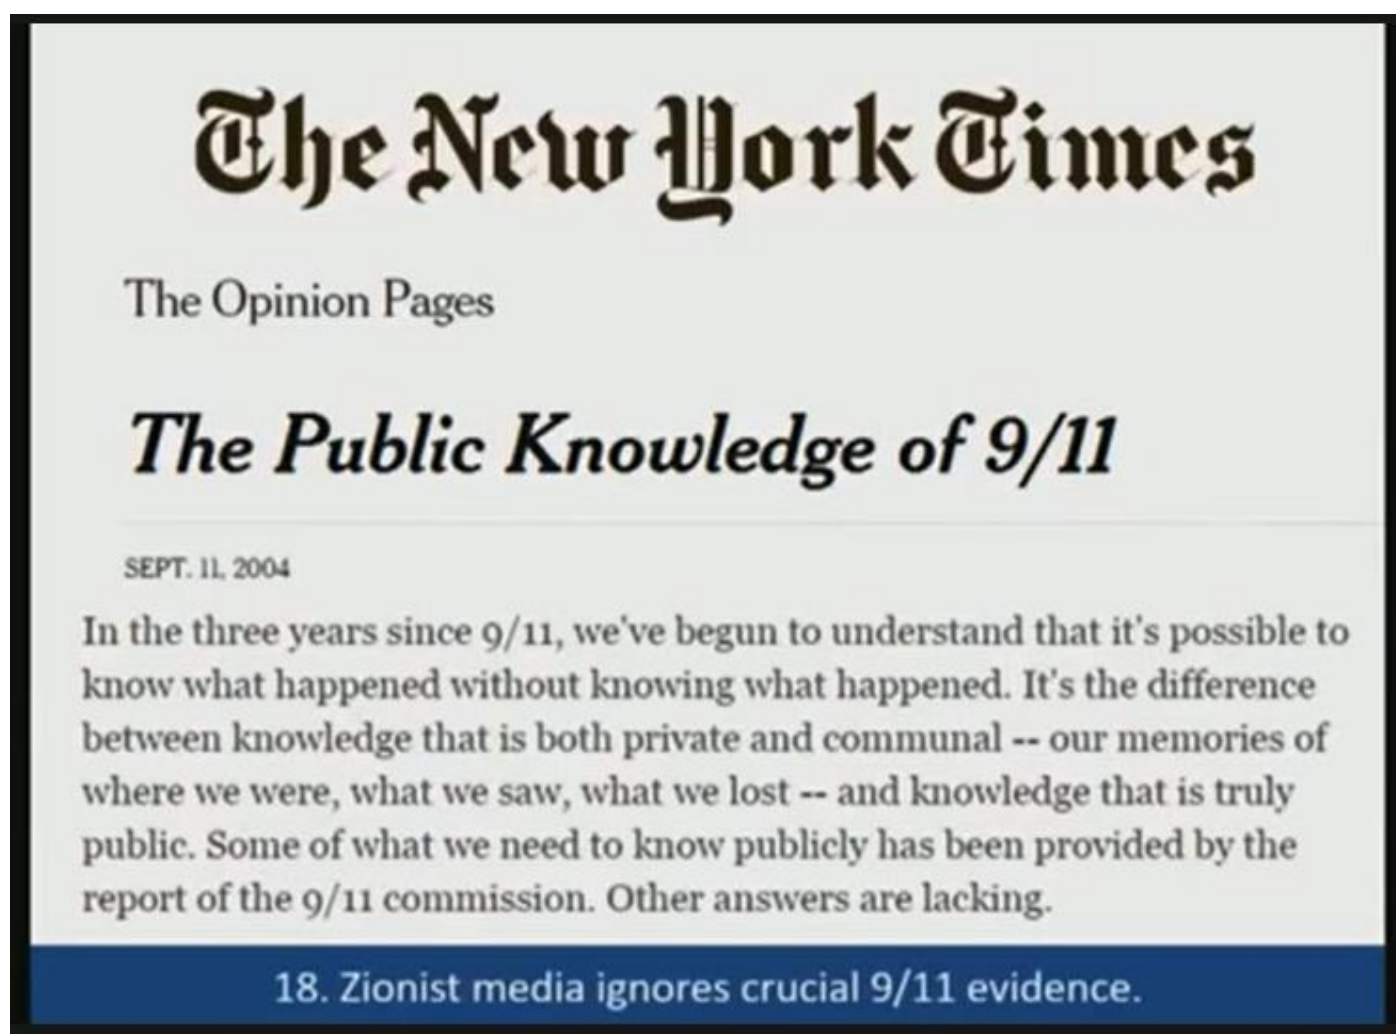

Here's mayor Bloomberg talking to Netanyahu, they are discussing the four Israelis who died on nine eleven.

22143

[image not shown]

This is ten years after the fact. Now the critical thing is that the media has been lying to us. This is the New York Times, a Zionist owned newspaper, family ...

**Number 18:** Zionist media ignore crucial 9/11 evidence

**The New York Times**

The Opinion Pages

***The Public Knowledge of 9/11***

SEPT. 11, 2004

In the three years since 9/11, we've begun to understand that it's possible to know what happened without knowing what happened. It's the difference between knowledge that is both private and communal -- our memories of where we were, what we saw, what we lost -- and knowledge that is truly public. Some of what we need to know publicly has been provided by the report of the 9/11 commission. Other answers are lacking.

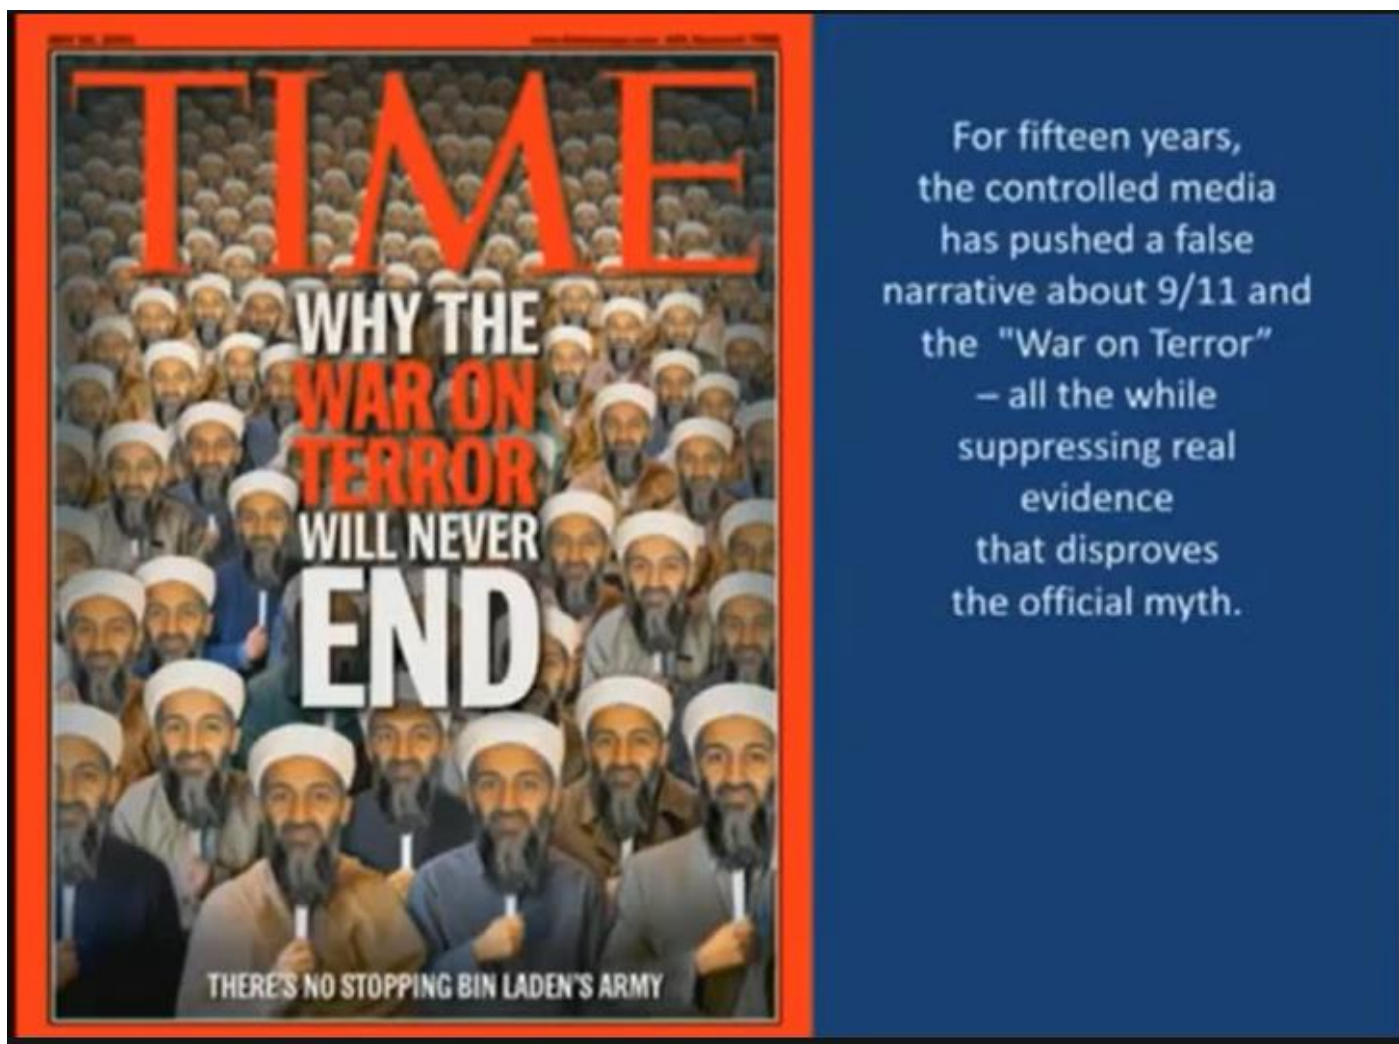

**18. Zionist media ignores crucial 9/11 evidence.**

22243

Three years after nine eleven, they came up with this editorial of the paper, they said

in the three years since nine eleven, we've begun to understand that its possible to know what happened, without knowing what happened. How Orwellian is that?

And for fifteen years the controlled media has pushed the false story about nine eleven, and a war on terror, all the while suppressing all evidence that disproves the official myth.

22484

Why does the media do this? Because we have today, almost all of the media in this country is owned by six companies, and those six companies are owned by the Rothschilds. Here we have media moguls like Rupert Murdoch,

Media moguls, like Rupert Murdoch, who push the lies about 9/11 and the "War on Terror" are complicit with the terrorists who bombed the Twin Towers.  
The Rothschild "banksters" create media moguls to control public opinion.  
The Rothschilds own the largest oil company in Iraqi Kurdistan  
– and an oil company in Israeli-occupied Syria with Murdoch.

who pushed the lies about nine eleven and the war on terror. They are complicit in a criminal cover up with the people who did nine eleven. Now the Rothschild banksters create people like Mr. Murdoch, so they control all public opinion in this country. That's what the media in the country today, NBC, CBS, CNN, FOX news is psychological warfare against the American people 24/7.

This is summing up my analysis, and this is from Dr. Alan Sobrosky.

23032

who wrote this paper called *Treason Betrayal and Deceit: 9/11 and Beyond*.

And he said [the evidential trail for 9/11 and the wars in Afghanistan](#)

22490

[and Iraq runs from PNAC, AIPAC, and their cohorts, through the mostly Jewish neo-cons in the Bush Administration and back to the Israeli government. None of the denials and political machinations can alter that central reality.](#)

And that's what i'm saying, is that we've been fooled, we've been tricked, we've been deceived into a war, and this is not in our interest at all, this is an Israeli war agenda that we have been tricked into fighting. Thank you very much, Salaam Alaikum.
