

IC911: International center for 9/11 justice

On January 7, 2024, in collaboration with UK Column, IC911 held the symposium “Genocide and Empire: Examining October 7th and the Geopolitics of the War on Palestine.”

Five very knowledgeable speakers joined IC911 Research Director Piers Robinson to discuss the geopolitical motivations behind the unfolding genocide in Gaza and the possibility that Israel allowed the October 7th attacks to happen in order to create a pretext for its ongoing military campaign.
